***PART III: Thesis Prospectus***

**Student's Name**

**THIS SECTION TO BE COMPLETED BY THE STUDENT**

**Thesis Topic**

Provide a "working title" for your thesis.

**Description of Research**

Provide a detailed description of your thesis project. Include a statement of the question under investigation, a description of your research methodology, and a discussion of your expected results. You should include a theoretical justification for your work to explain how this project will contribute to the field in which the research/project is being conducted. This statement must be reviewed and approved by your thesis advisor.

**THIS SECTION TO BE COMPLETED BY THE STUDENT'S THESIS ADVISOR**

I affirm that I have reviewed the student's thesis prospectus and I will be able to provide this student with a research/scholarship experience similar to that of graduate students in my academic discipline. Furthermore, I believe that the scope of the student's proposed project is equivalent to that of a master's level student and that the candidate is capable of producing a thesis/project of the same caliber as a master's thesis/project in my academic discipline.
